

Invitation for Bids for Host Server at Data Center and SAN storage

Date of Publication: 17th January 2024

Deadline of Submission: 6th February 2024, before 5:30 PM NST

Nepal Electronic Payment Systems Limited (NePS) invites sealed bids from eligible bidders for the solution of Host Server at Data Center and SAN Storage.

Eligibility Criteria for the Bidders

- a. The bidders shall be a company registered under an appropriate authorized entity according to the law of the respective country and have at least 4 years of experience in the IT industry.
- b. Bidder shall have prior experience with licensing, implementation, deployment, and provider of service support for an organization including card processing centers like payment processors/providers.
- c. The Bidder or any of its subsidiaries / related legal entities shall not be blacklisted/barred (temporary or permanent) and or disqualified by any regulator/statutory body/any government department or Financial Institutions in Nepal or their respective country.
- d. If the OEM of the product is different, the bidder should be an authorized partner of the product/services offered.
- e. The bidder should be agreeable to provide POC (Proof of Concept) at its own cost, if NePS decides to request the same. The demonstration of POC will not be construed as a grant of Bid.
- f. The bidder shall not have been criminally prosecuted / blacklisted by any authority, Bank, and financial Institution mainly on fraud, money laundering or any other act prohibited by law.
- g. The solution shall be proven and be in production for at least five years.

For international bidders- the company should be entitled to follow the above-mentioned criteria of their own country.
